# State Okays Funds For Thornton Beach

Assemblyman Louis Francis announced today that the State Division of Beaches and Parks has allocated $61,900 in its new budget for the development of Thornton Beach in Daly City.

According to Newton Drury, chief of the state division, Thornton Beach, consisting of 9.7 acres, "will be fully developed." It was purchased by the state from the county for park two years ago.

Francis commented: "The state park system in San Mateo county is being used extensively by county residents for recreational activities, and residents are deriving benefits from the total investment in state parks well beyond the percentage of the total population of the state."

He cited that San Mateo county, according to the latest State Park and Visitor Survey report showing the relationship of visitors attendance to total state population, ranks ninth in population with 2.65 percent of the state's population. However, of the total attendance in state parks, 4.6 percent of the campers and 2.24 percent of the day-users were residents of San Mateo County.

Francis did not know the date when the state will begin work in making Thornton Beach a fully established state park facility.

WESTLAKE INCIDENT

## Supermart Burglary Foiled, 4 Arrested

Alert action by Daly City police Friday at 11:55 p.m. brought the arrest of four East Bay men on suspicion of attempting to burglarize Town and Country Market in Westlake.

The four—one of them an ex-convict — were arraigned by Judge Tom Bocci in muni court Monday, then remanded to the custody of the sheriff in lieu of heavy bail.

Officer James Sunderland and Sgt. John Walsh worked swiftly to apprehend the four men.

Sunderland answered the call from a resident on Lynnewood drive, who said he saw persons near the rear alley of the big market.

Sunderland dashed into the telephone reception closet—connected to the rear of the market—and challenged Carl B. Robinson, 50, of Richmond, and Estle Lindsey, 41, an ex-convict from Alameda county. Moments later, the officer found a fully loaded .38 caliber revolver, above the closet electricity box, which Lindsey admitted was his weapon.

Meanwhile, Walsh and Officer D. C. Bourbin rounded up George Keyisuke, 32, of Oakland,and Charles M. Shorter, 44, of San Pablo, who were parked in a '51 panel truck in front of 60 Lynnewood. A '49 sedan, also used by the quartet, was parked nearby.

The four said they had been drinking and had come to Daly City together, but denied any intentions of rading the market.

A crowbar, screwdriver, sacks and pairs of woolen gloves were taken as evidence in the case.

Robinson and Lindsey were booked on first degree burg-

## City Freeway Committee Sets November Meet

Councilman Francis Pacelli is scheduled a meeting of the Daly City freeway committee for the night of Wednesday, November 19, at the city hall chambers, 75 Wellington avenue.

Chairman of the city unit, Pacelli said he expects the state Division of Highways' decision on selection of a freeway route through Daly City early November.

Pacelli said he would meet soon with the Westlake Improvement Association's revitalized freeway committee, headed by William Silver. The Westlake group strongly opposed the state-suggested route through Westlake last spring.

The state, which has drafted four alternate routes through Daly City, currently is completing its survey on Alternate A, a route down Junipero Serra.

## WIA Directors Meet Monday

Westlake Improvement Association will hold its November meeting next Monday evening, 8 p.m., at 95 South Mayfair.

A nominating committee will be selected to consider candidates for the association board. Election of new directors will be in December, according to Alyce Shea, association secretary.

## United Crusade Results' Due

All United Crusade north county area chairmen and volunteers will be feted at the weekly report dinner at Beth El Temple this Thursday night in San Mateo. A complete progress report for the residential division will be announced.

"A great enthusiasm and active cooperation is making this year's United Crusade campaign crusade outstanding," commented Mrs. Martin Orf, North County Residential chairman of last week's campaign. "We must all be proud of the hard work the women in our area have put forth in this community effort. Their diligence during this one week's campaign provides many agencies with working funds throughout the year. My heartfelt' thanks is extended to each Crusade volunteer."

# Callan Zoning Passes, 3-2

STUDY in fascination is captured by RECORD photographer Frank King as he watches Brisbane students (left to right) Charles Mozzetti, Peter Mozetti and Ronnie King giving the Halloween pumpkin close inspection. Youngsters throughout the area will be trick-or-treating Friday night.

## TWENTY-ONE ACRE PROJECT IS APPROVED

Three-way zoning on the 21-acre Callan lands surrounding realigned Westmoor avenue was finally approved Thursday night, by 3-2 vote of the council in a special adjourned meeting.

Thus was ended long months of legal delays and disagreements. Mayor Micheal DeBernardi and Councilman Joseph Verducci, the latter long at odds with the Callans, voted to deny the zoning.

The council majority, however, felt the Callans had complied with committments in their annexation agreement with the city.

The agreement stipulates that the Callans will give the city two lots, and take care of all improvements, such as streets, sidewalks, curbs, gutters, sewers, etc.

The 21 acres includes 3.27 acres for homes on 37 lots, 7.4 acres for 300 apartment units, and a shopping center on 5.6 acres, designed to serve the homes and apartments.

Earlier last week the council delayed decision on the zoning after hearing protests from Doelger representatives who charged that there was a "surplus" of commercial zoning in the southern section of Daly City.

The city planning commission, however, approved the 21-acre Callan zoning weeks ago.

## War Memorial OK'd For OLPH Boxing Cards

City recreation commission last week okayed renta' of War Memorial building to Our Lady Of Perpetual Help Men's Club for two amateur boxing shows, November 13 and December 11.

Walt Gillies, OLPH chairman for the programs, promises two outstanding cards, of 12 bouts each, featuring the Bay Area's top Golden Glove ringmen.

OLPH boxing shows in the past drew heavy audiences here.

Richard Liberty, OLPH boxing publicist, says tickets to both boxing shows will be $2 for reserved ringside and $1 general admission. Proceeds will be used for youth activities of the parish.

Use of the gym will cost the OLPH unit $150 each night.

DIRECTOR'S REPORT

## Adult School Booms With Top Enrollment

Jeff High Adult School attendance continues on the upswing, according to Director John Ivan's report to the high school board Monday night.

Ivan said average daily attendance in September for the evening program was 118 adults, compared to the 86 A.D.A. of September last year.

District Supt. Ed Morgan said the 118 figure "was very high, and if we remain above the 100 A.D.A. figure each month, the state will require us to maintain an adult school director on a half-time basis."

Ivan, the district's director of curriculum, also directs the adult program and the district summer school.

Trustees were satisfied Monday with Architect Mario Ciampi's third site utilization plan for the Sharp Park high school. The second school will be built on four levels, the first increment planned to house 900 students.

Architects Falk and Booth presented favorable soil test reports on the Linda Mar high school site—the Piccardo-Higgins property. New topographical maps have been ordered before district appraisers will be called in to set estimates on how much the 40 useable acres will cost.

The board considered four more new names for the two Coast schools. Added to the list were Jack London, Maritime, South Portola and E. H. Danmann (pioneer Coast schools' trustee from Pedro Valley). Morgan said trustees will list their top five choices on names submitted at the next meeting.

The board accepted $232,000 from the State Highway Division for a four-acre swap of land at the Sharp Park site. The district will use the money to buy four acres along San Mateo avenue, while the state takes over an equal number of district-owned acres on the freeway side of the school.

Morgan said that only two of the 18 property owners on San Mateo avenue have failed to accept district offers for their land.

In other main business, trustees hired Selwyn Jones to replace Robert Orth on the Westmoor High art department staff. Jones, a first year teacher, attended San Jose State, Austin State (Texas) and Colorado State. He will supervise the Westmoor yearbook in ad-

## SAN BRUNO LAND CHOSEN FOR JC SITE

Trustees last week selected the 103-acre Pacific Heights site in San Bruno for a north San Mateo County junior college—expected to open in 1968.

The verdict on the site, located west of Skyline boulevard, was unanimous. It was the top choice of the 33-member citizen committee which began its site-search last June.

Daly City Councilman Edward Dennis and County Supervisor Tom Callan asked trustees to choose the Christen ranch site near Daly City—second choice of the citizen's committee. But the board held that the Liebman site was more centrally located, would require less grading, and would involve a minimum of legal delays.

The junior college district will get the San Bruno site for $5332 per acre or 103 acres for $573,190. Approximately $600,-

## DC LIBRARIES HOST CHILDREN FOR 'BOOK WEEK'

"Children's Book Week" begins next Monday at the Daly City Public Library and the Westlake - Broadmoor Branch with a display of this year's prize-winning books for children.

Also on display will be some of those older books whose large circulation has proved them to be among the most popular in fiction and non-fiction fields.

Classes of school children will visit the libraries during the week to hear stories and browse among the books.

All children visiting the library during Children's Book Week will receive book lists and book - marks printed in honor of the occasion.

## DC Officials In Los Angeles For Convention

Most of Daly City's top brass are out of town this week—attending the annual convention of the League of California Cities, which started Saturday in Los Angeles.

Making the trip south were City Manager George Watts, Mayor Micheal DeBernardi, Councilmen Francis Pacelli and Joseph Verducci, City Clerk Evelyn Mosman, City Treasurer Paul Selmi, Public Works Director Otis Calhoun, Recreation Director Dee Van Nest, City Attorney Paul Hupf, and City Auditor Robert Hunter.

The convention ends this Friday.

## DC Post Office Needs Workers For Xmas Rush

Applications will be accepted for temporary Christmas work at the Daly City Post Office from November 1 to November 15, Postmaster Vincent P. Murphy of Daly City announced today. Disabled veterans may apply from November 1 to November 29.

Applicants must be over 18 years of age, cannot be employed in any other position, and must reside within the limits of the Daly City Post Office, according to Murphy.

Work will be assigned to applicants according to the following priority groups: 1-eligibles on Civil Service registers. 2-disabled veterans. 3-veterans. 4-non veterans. No one under 18 years of age can be employed.

Applications may be obtained from the main post office, 31 Bepler street, Daly City.

## SNELL PTA SESSION REVEALS J.E.S.D. 'DISASTER' PLANS

Life savers — printed, audible, artful and edible — were much in evidence at last week's meeting of James L. Snell PTA.

Theme for the evening, which was planned by Snell's Civil Defense chairman, Mrs. H. Cliff Warner, was "Civil Defense Is Home Defense" and it was with this admonition that guest speaker William J. Osterloh addressed the near-capacity assemblage in the multi-use room of Garden Village School.

To the throng the speaker pleaded for this area to "get up a plan," pointing out that only with proper education and training of citizens can Civil Defense stop bloodshed in time of man-made disaster and blunt the effects of natural disaster.

Osterloh, an inspector for the San Francisco Police Department and full-time planning and training officer for the SF Disaster Council and

## Elementary School District Plans Curriculum Fair' For Parents

merican Education Week receive impetus from Jefson Elementary School Dist on November 12, 13, and by inauguration of a "Curlum Fair."

The Curriculum Fair will give parents and friends of the rict an opportunity to be familiar with the district's ructional program. Those onsible for curriculum and er phases of the educational gram will present materials answer questions.

The purpose of the Fair is to elop a clearer understanding what schools are teaching, the goals to be achieved, and the ways in which children learn.

Each evening there will be a panel discussion and booths displaying materials used in the district's educational program.

The curriculum areas that will be covered are art, general curriculum, audio-visual, music, physical education, health speech, library, and pupil personnel.

Besides these areas there will be representation from the board of trustees, P.T.A., and the schools business office.

EXPERTS EXPLAIN REDEVELOPMENT

## Brisbaners Hear 'Urban' Plan

A standing-room-only audience jammed Brisbane's Intermediate School Monday night to hear first-hand from experts the merits of urban redevelopment for the unincorporated community.

Brisbaners left the well conducted meeting with a "think it over" attitude. A follow-up meeting is planned soon.

Explaining the urban renewal assistance program for the government was James Bledsoe, assisted by Frank Skillman, county planning director. Others taking the floor were Congressman J. Arthur Younger and the entire county board of supervisors.

Under the urban redevelopment plan, the government foots two-thirds the cost of community redevelopment, the county the rest. Supervision would be in the hands of the county.

Bledsoe explained that the decision would depend on majority vote of Brisbane residents. He also reminded that government funds for urban redevelopment are limited.

The meeting was called by the Brisbane Improvement Association, membership of 30, which declared "we feel urban renewal is the final answer for Brisbane." Roy L. Haus is president of the group.

A few Brisbane residents, dissatisfied with county control, favor incorporation. But there has been no organized movement there recently toward that objective.

# PTA Session Reveals J.E.S.D. 'Disaster' Plans

(Continued from Page 1)

Corps, was introduced by Broadmoor Chief of Police Ray Savage, Snell's safety and juvenile protection chairman. Savage cited Osterloh's extensive SFPD service record and, as one officer to another deemed him a "man highly respected in national defense and law enforcement circles."

The inspector, who admittedly possessed no "magic answers" to the problem of self preservation or protection should the strong probability of an inter-continental ballistic missile finding its way to our immediate locale become a reality, pointed out that the main point of San Francisco's CD program is to disperse the population.

Acknowledging that a goodly portion of the evacuating populace would obviously pass through this northern sector of San Mateo county, Mrs. Warner then called for reports by Chief Savage, who commented on evacuation routes suggested for local inhabitants, and Dennis Huajardo, CD coordinator for the Jefferson Elementary School District.

Huajardo cited the district's cooperation with the San Mateo County Civil Defense and Disaster Corps and the Daly City Disaster Council. He reported that every school is a purported disaster shelter and that the district is obtaining First Aid supplies to place in school buildings. Also along this line, he said that all building clerks in the district are preparing to take a First Aid course with emphasis on school needs. Currently, Huajardo pointed out, signals are being formulated for disaster drills in schools.

Should evacuating school children to safer areas in Southern San Mateo County be deemed advisable, Huajardo stated that plans are in the "discussion" stage with the "legality" aspects under investigation by JESD officials.

Reporting that a survey of the emergency forms distributed to parents of children in Garden Village School showed that 85 per cent of the parents wished their children evacuated by the first available transportation in the event of a yellow (attack probable) alert, Mrs. Warner and Chief Savage then climaxed the evening's discussion by explaining the feeling of the Snell CD committee that, in the long run, transportation, regardless of where judicial responsibilities should be placed, will ultimately be the task of persons with automobiles in the stricken area at the given time.

With an aim to preparedness in this category, Mrs. Warner called on parents to volunteer their vehicular services so that a practice evacuation drill might be staged in the near future. This would be done with JESD and Broadmoor Police Department sanction and in a way causing none of the regular Garden Village attendees to leave school premises.

Also present at the meeting and available for interrogation during the lively question period which folowed the CD program were Joseph Lewkowitz, chairman of the JESD board; Harry Koch, CD coordinator for San Mateo County; Robert Evans of the Daly City Disaster Council, and Harry Brown, Broadmoor Police Commissioner. Presiding at the session was Snell's president, Mrs. Kenneth Gillespie, a member of the executive committee of the Daly City Disaster Council.

STAGGERED day reading program for first through third graders in Jefferson Elementary District is in its fourth year. Above shot at Vista Mar School shows typical small group reading session.

The board went on record for "yes" on Proposition 2 (state school bonds) and "no" on Proposition 17 (reducing state sales tax).

# Jeff Hi Cagers Beat Westmoor

Jeff lightweight cagers stayed in the thick of the Peninsula League title picture Tuesday by sweeping games with Westmoor.

Mike Orlich's 10's, paced by Mike Kennedy with 21 points, downed the Rams, 42-24. The Indian 20's, with Mike Schultz hitting for 24, romped, 55-40.

Last Thursday, Jeff beat South City in the 10's, 40-21, and in the 20's, 35-28. Bobo Johannsen, with 12, and Schultz and Bobby With, each with 10, were high pointmakers.

Orlich's 10's with a 6-2 mark, are one game behind San Mateo. His 20's, at 5-3, are in third place.

## Vote 'No' On Proposition 16

**The facts and precedent clearly call for the crushing defeat of Proposition 16 in next Tuesday's general election.**

**Leaders and citizens throughout California are united in urging "no" votes on this proposal which, if passed, would reimpose a discriminatory tax on the state's 1076 non-profit schools.**

**Six years ago, these private schools, which today educate 340,000 children, were made exempt from real property taxes by overwhelming verdict of California voters.**

**We do not feel these voters, and many balloting for the first time, will do an "about face" next week.**

**"No" on Proposition 16 represents sound economic thinking.**

**The 1076 non-profit schools do not receive any money from the state. They operate entirely on their own capital.**

**If they were subjected to property taxes, many would have to cease operation, forcing most of the 340,000 children into the public school system—and more taxes on all Californians.**

**Verified figures show that a transfer of students from non-profit to public schools would cost the state $350 million more for new facilities and another $118 million to operate these facilities. This extra revenue comes from only one place—the taxpayer's pocketbook.**

**Persons who send their children to private schools still pay their share of taxes to help support the public schools system. They do not object to this obligation.**

**The right of the private schools to offer an alternate to public education cannot be challenged. Nor can the basic economic facts which make "no" on Proposition 16 an inevitable decision.**

## Colma's Richard Banks Retires After 20 Years' Army Service

A youthful master sergeant who is completing over 20 years Army service will be among those retired at Headquarters Sixth U.S. Army, the Presidio of San Francisco, this week.

The 38-year-old sergeant, M/Sgt. Richard Banks, is a native of New York City, but now resides at 528 MacArthur drive, Colma, with his wife, Anne and two children, Richard Lee and Barbara Anne.

Sergeant Banks enlisted in the Army in February, 1938, in New York. He recieved basic training at Plattsburg Barracks New York, and was then sent to Panama, where he served for two years with the 33rd Infantry Regiment.

Following his duty in Panama he was assigned to the 30th Infantry at the Presidio of San Francisco.

He later attended officers' candidate school and was commissioned in 1942. World War II saw him in the Asiatic-Pacific theater of operations with the infantry.

Post-war, the sergeant was assigned to General Headquarters, Far East Command, in Tokyo, Japan, from 1947-1949.

Later assignments were at Ft. Belvoir, Kentucky, and Paris, France.

Sergeant Banks was assigned to the inspector general section at the Presidio in April this year.

Following his retirement, Sergeant Banks plans to remain in California.

## Salada Schools' Classified Staff Fete Hallowe'en

The classified employees of Laguna Salada School District held their October monthly meeting at Vallemar School.

A short business meeting was conducted by President Rung Hasselgren, at which the resignation of Vice President Howard Robision was accepted with regrets.

The guest speaker of the evening was Howard Rittenhouse of San Jose, former field representative of District 5.

Immediately following chapter business, a gala evening of Halloween fun was enjoyed by the group. Various characters were present in full regalia.

Guests of the evening were Mr. and Mrs. Howard Rittenhouse, Mr. and Mrs. John Munt, Al Haven, Kenneth Hill, Robert Fizer and Rose Tafuir.

Twenty-three members were present. The district office employees were hosts for the evening.

## Westmoor Thespians To Present Mystery Play, 'Night Must Fall'

By Viveca Lindfors

Westmoor High School's young thespians will take to the boards again November 7, 13, and 14 for performances of the murder mystery play, "Night Must Fall."

For many of the youthful actors, this will be a "first acting assignment," but their enthusiasm and hard work, coupled with their talent for acting, more than compensate for their lack of experience.

The cast is made up of students representing all four classes. There were as many as six students trying for each of the eight parts in the play. Chosen for their acting ability were: Carla Gomez, Tony Miley, Rich Gomez, Linda Rowan, Arlene Hanson, Terry Robison, Angela Mason, and Steve Doiron. (Rich Gomez and Angela Mason will be remembered for their outstanding work in last year's production of "What A Life," the first presentation of the Westmoor Little Theater Group.) John Bernstein will be stage manager, and the complicated job of lighting will be handled by two freshmen, James Norton and Stephen Funai.

Because the production is being done "in the round," with part of the audience sitting on the stage all chores connected with the show are doubly difficult. The cast and all working with the play show promise of doing a polished job which will mean an enjoyable evening of theater.

Curtain time is 8 p.m. all three evenings. Prices are: $1 for adults 75 cents for students, and 50 cents for those with student body cards.

## Feibusch Leads Cub Pack 244

Cub Pack 444 recently held its first meeting since its reorganization. New leaders are Mr. Feibusch, Cubmaster, and Mr. Castro, Assistant Cubmaster.

The meeting was highlighted by presentation of the charter from Jack Hurt, District Scout Executive. Other events were a demonstration by the fire department and a party for the boys who had birthdays in October. Awards were presented to Ricky Feibusch, James Lemp, Michael Ramsell, Richard Leverenz, Chuck Warfel, Bruce Herold, and Frank and Mike Markovich.

The Pack distributed "Civilian Defense Pamphlets" on October 11. A recruiting drive is now on in all sections of Westlake. Contact Feibusch, PL 6-5676, or Mrs. Peter Markovich, PL 5-4593.

## POLICE 'BALL' THIS SATURDAY IN SAN MATEO

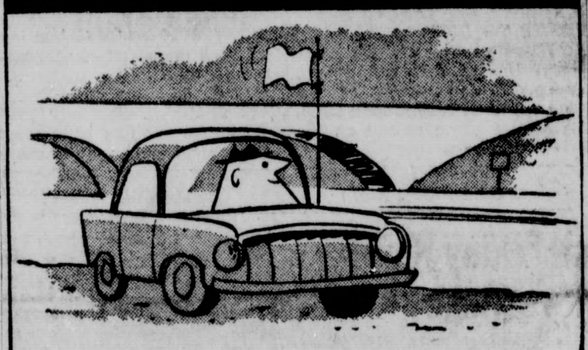
The big dance night of the year on the Peninsula will be held this Saturday at 9 p.m. when the annual Policeman's Ball is staged at Bay Meadows clubhouse in San Mateo.

The orchestra of Jack Fisher will play for the gala affair which will see more than 1000 Peninsulans dancing for the benefit of the widows and orphans fund of the association.

Tickets have been mailed to area residents and proceeds are coming in, but there are still tickets available at any police station and at the door the evening of the dance.

Officer Ernest Lena of Hillsborough is president of the association and Officer Fratis Link is dance chairman.

## SAFE WALKING TIPS



### STAY OFF EXPRESSWAYS

**A modern expressway, like an icy sidewalk, is no place to take a walk. The traffic there is generally moving fast and the drivers intent on reaching their destinations in the shortest possible time. As a result, the pedestrian invites death or serious injury in crossing or walking along the shoulders.**

**Of course, few people choose to walk along an expressway for recreation. It generally is necessitated by an auto breakdown, following which the driver either stands in the roadway to flag down a passing car or starts to walk to the nearest garage.**

**The American Automobile Association warns against this practice, and suggests instead that the motorist attach a handkerchief to the radio antenna or door handle of his car and wait inside until a police patrol car sees the signal. Police assigned to expressway duty are trained to be on the lookout for motorists in distress. The wait should not be too long, and you'll avoid the danger of passing cars.**

## St. Finn Barr Fashion Show Two-Day Affair

The annual fall fashion show of St. Finn Barr Church will be held on Saturday evening, November 15, at 8 o'clock and Sunday afternoon, November 16, at 2:30 o'clock, in the church auditorium, Hearst avenue and Edna street.

Clothes for the entire family will be supplied by a leading San Francisco style shop. Proceeds go to the school building fund.

The Rev. Lester Erhmann, pastor, is honorary chairman of the show. General chairmen are John Ortelle and Frank Boiler. Fashion co-chairmen are Mrs. Harold Greer and Mrs. Richard Caffrey.

Reservations may be made with Mrs. Leo Thiel, JU 5-6448. Admission is $1.25 for adults, 50 cents for children.

## Drunk Driving Cases Dominate Muni Court List

Three drunk driving cases were weighed Tuesday by Judge Tom Bocci in municipal court.

Carl L. Durham, a butcher, who lives at 330 Abbott street, pled not guilty and trial date was set for November 18. Durham flunked a sobriety test when arrested by Officer Frank Murray on October 23.

George D. Crowley, 180 Lynnewood drive, pled not guilty, but he was judged guilty and given a choice of 30 days in jail or $250 fine, with 10 days to decide.

Deryle Lewis, 29, San Francisco machinist, arrested here October 20, pled guilty to drunk driving and was sentenced to 30 days in jail or $250 fine.

Anna Kirchhubel, 47 East Cavour street, was fined $25 on a drunk charge. A second charge of malicious mischief—she burned the mattress in her jail cell—was dismissed.

## Jefferson High Class Officers

Vice principal Louis Martin today announced fall semester class officers at Jefferson High School.

## 'Study Math' Is Navy's Advice To High Schoolers

Consistent with its "Stay in School" policy, the Navy has moved to put more emphasis on mathematics as well as the high school diploma.

Men applying for training in the Navy electronics and nuclear field schools, must present evidence of successful completion of one year of mathematics such as algebra, trigonometry or geometry.

"Stay in school and study math," says Chief Stanley Cichocki, Navy recruiter at 6705 Mission street, Daly City.

GOVERNOR Goodwin J. Knight chats with editor Harold P. Bradshaw during his recent visit here. Knight made an all-day tour of the county on behalf of his candidacy for U. S. Senator. The tour started in Daly City.

## KIP Workshop News

Pacifica area is demanding return engagements by KIPSTARS after the tremendous performance the kids gave October 17 and 18. KIP was also commended for behavior, cooperation, organization and helpfulness. Mayor Jean Fassler of Pacifica and Mrs. Allene Orchard, who staged and directed the entire show, are loud in their praises of the Daly City-SSF group.

Plans are proceeding for more KIP units, also units which will take the entertainment phase of KIP to other cities and towns. Marin county is interested.

Xmas shows are being prepared. Organizations desirous of using KIPSTARS should contact Mrs. Audrey Sallade immediately, as bookings are going fast.

Kay Irvine has returned to her home after another three-week bout with a bad spinal disc and a stay of that period at Kaiser Hospital. Mrs. Irvine wishes to thank all those who sent cards, greetings, flowers, and visited her.

Mrs. Naomi Johnson of SF is training a choral group for KIP, at meetings, and on Saturdays.

Hallowe'en party at Kiphaven is restricted to those who have signed in at the meetings for the party and who carry KIP cards. KIP officers only and KIP adults who are active may bring guests. Representatives of the press and other media are also permitted as guests.

KIP welcomes a new group of musicians, The Starlighters, led by Wayne Dowling of Redwood City. They are "sweet swing" artists with a fine repertory of music.

Renee Champagne of Daly City is a new singing KIP discovery, brought by Mrs. Kay de Groot.

Mesdames Arrell, Wise, Garbe, Bertucci, Rosenberg head the refreshments and decorations committee for the Hallowe'en party, aided by the Kip Teens and Subteens.

Due to pressure of other duties and home obligations, Gail Vaurs has resigned as KIP president, remaining as a singer. New president is Katy Porter.

### STEERING MECHANISM

Have the steering mechanism on your car checked occasionally to see that it's in good condition and the wheel alignment correct, advises National Automobile Club.

### TRAFFIC DEATHS DOWN

Traffic accidents in California killed 2,227 people during the first eight months of this year, reports the National Automobile Club. This represents a decrease of 4.8 per cent from deaths during the same period of 1957.

### FISH HOOKS

Fish hooks left on the seat of a boat can land in the seat of an angler, warns the National Automobile Club. Keep all hooks but the one you're using safely locked in your tackle box.

### BICYCLING

When bicycling, if you try to ride double you're headed for trouble, warns the National Automobile Club. Ride it right!

### THE MOURNING DOVE

The mourning dove has the largest range of any game bird in the United States. It is, according to the National Automobile Club, the only such bird that reproduces in all 48 states.

### CHECK YOUR ATTITUDES

Check your driving attitudes as well as your brakes, advises National Automobile Club.

## Letters To The Editor

Dear Mr. Bradshaw:

The executive board of Jefferson High School was pleased to read in your editorial that you recognize a serious problem concerning the safety of students crossing Mission street in front of our school.

We, also, have been concerned with this problem for a long time. But we do not feel the solution to this problem lies in the hands of the students or faculty alone, but in the hands of our community as a whole.

I am sure you will agree that a good solution to this problem is the suggested stop-light at the crosswalk. We are aware of the fact that this idea was once turned down by the state, but again I am sure that you will agree that if the city and school cooperate in another, stronger appeal, much better results might be attained before there is a serious accident.

Sincerely

Roger Walorinta

## W-Wilson PTA Memberships Number 319

Ways and means committee of Woodrow Wilson PTA will meet Friday morning, November 7, at the home of Mrs. Arthur Hermosillo, to discuss projects to raise funds for welfare activities.

Mrs. Wallace Clark, PTA president, said the recent membership drive was "very successful." Thirty-one more members were recruited over last year's total. The membership is 319, of which 38 are men.

Woodrow Wilson PTA meets the third Tuesday of each month at 7:30 p.m. in the school multi-use room.

OUR LADY of Mercy School youngsters dominated honors in the recent Fire Prevention Week poster contest. Winners congratulated above are (left to right): Billy Hamilton, Judy Vlakovich, Terry Myers and James Norton. Norton, eighth grader, won the grand prize trophy for the best drawing in the contest. Making the presentations (back row): Fire Chief Elmer Kennedy, Vince Murphy, DC Chamber of Commerce; and Fire Bttn. Chief Frank Specht.

## LAW IN ACTION

### CONSERVATORSHIP

A court may name guardians for people who cannot take care of themselves or their property such as those who are (1) insane, (2) minors, or (3) incompetent.

But many old people and their kin avoid guardianship since it may connote some sort of stigma.

And so, a new law allows a court to name a "conservator" instead in certain cases where the person himself seeks one, or where he cannot manage his affairs. The conservator may be an individual, a relative or friend; or it may be a bank or trust company authorized by California law to act as a conservator.

Conservators differ from guardians in some ways:

(1) A conservator can do everything that a guardian can, plus some other things the court may allow him to do.

(2) The person may nominate his conservator himself, which is true of guardianships only for a minor over 14 years of age.

(3) If the person and the court approve, the conservator need not have to put up bond. But most guardians do.

(4) The person may earn wages outside the conservatorship estate. No guardianship allows this.

(5) There can be temporary conservators, which is true only of guardians named for the purpose of a law suit, for example, which involves a minor.

This new idea of a conservatorship has been in effect in California for only a year or so. But it is one more step that California law makers have taken to meet some of the problems of aging persons. For with the lengthening of human life, millions of old people come to California.

Most of them are perfectly capable of handling their business and looking after themselves. Some may in time need guardians. But many may be able to do well with the aid of a conservator who may allow much more elbow room—where it can be managed—than a guardian would.

*Note: California lawyers offer this column so you may know about our laws.*

## Star Recipes

By JEAN HAHN

Prima ballerina Maria Tallchief has traveled from one end of the world to the other while dancing with leading ballet companies. After visiting the popular tourist attractions at each stop, Maria generally finds time to sample the native drinks and dishes in order to add new recipes to her ever increasing collection of gourmet delights from around the world.

A stand-out in her collection is a recipe for a tantalizing hot punch made with Danish Cherry Kijafa wine and blended whiskey. Economical and easy to prepare, this mulled Danish cheer is the perfect party drink for a brisk wintry day.

This glowing creation, Maria points out, is a particularly inviting drink for a small intimate group. Its rich aroma of hot spices, tangy fruits and orchard-fresh Langeskov cherries warms not only the body but the spirit as well, making a wonderful ice-breaker. As she puts it, "Only hermits can resist the impulse to join their friends around this Danish counterpart of the ancient Wassail bowl."

Many hostesses, however, shy away from serving hot punch at small gatherings. They don't want to bother digging out the family punch bowl for just a few people and don't know of any other way to serve it. Maria's solution is simple: she uses a pyrex coffee carafe. This makes an attractive, easy-to-use dispenser which can be heated right on the stove. While serving, a candle or sterno warmer will keep the punch at just the right temperature.

CARAFE KIJAFA
(Mulled Danish Cheer)

4 cups Danish Cherry Kijafa wine
¼ cup lemon juice
2 cups of water
5 to 6 tablespoons maple-blended syrup
2 cups blended whiskey
Dash of Angostura
Cinnamon stick in each glass

Combine all ingredients except cinnamon, heat in pyrex carafe but do not allow to boil. Serve steaming hot in punch cups or glass coffee cups with a cinnamon stick in each cup. Makes 10-12 servings.

# Tickets On Sale For Westmoor PTA Holiday Dinner, December 6

Six hundred tickets are available for the Westmoor PTA holiday dinner event, December 6, according to Mrs. Larry Green, ticket sales chairman. Dinner tickets are $1.25 for adults, 75 cents for children under 12.

The limit of 600 tickets is based on the number of people that can be served adequately at one time by the PTA. The dinner hour starts at 6 p.m. and will end at 7:30 p.m.

Ticket requests are now being processed. A telephone committee has been organized, with following members, the Mesdames: Max Hoffman, Palmiro Nolli, Everett Heick, Arthur Shanoian, Lawrence Magoon, John Hansen, Edward Kubowitz, Jack Parker and Chester Mattison. For those who may not be contacted by telephone, tickets may be secured by phoning Mrs. Green, PL 5-6385. Tickets will be available at Westmoor High. Thanos Panagoulias, vice principal, of Westmoor, will coordinate ticket sales at the school.

Mrs. Howard Dunbar, general chairman, stated that Westmoor students will participate in the dinner event for a smooth and efficient operation. Refreshments will go into the scholarship fund.

Robert Nissen, Westmoor art instructor, and his students will prepare display booths of holiday gifts.

Mrs. Alfred Boreni, president of Westmoor PTA, invites all residents of Jefferson High School District to participate in this PTA affair.

# MINSTREL SHOW WILL FEATURE MEN'S CHOIR

Our Lady of Mercy Men's Choir, recognized as one of the finest male singing groups in the Bay Area, will perform in the first annual "Grand Old Minstrel Show," to be presented by the Westlake Catholic Men's Club on Friday, Saturday and Sunday evenings, November 21, 22, and 23. There will be a children's matinee on Saturday, November 22.

The choir, to be known as a male chorus for this show, is under the direction of James Collins. Scheduled to sing 20 old-time songs, the chorus includes; Stan Basterash, Bill Kennedy, Robert Chase, Bob Wagner, Vic Sariotti, John Kilday, Jim Walsh, Steve Kristovich, Ed O'Donnell, Bob White, Tom Daly, Roy Becker, George Snell, John Kermoian, Bud Pellissier, Ed Glisinski, John Willden, Ray Forcina, Bob Carberry, Vic Schoenstein, Bill Schow and Roberto Rivas.

Tickets can be obtained by calling Ed O'Donnell, PL 5-9358.

Workers are killed more often in accidents off the job than on, according to the National Safety Council. It says 31,800 workers die annually of the job as compared with 14,200 on-the-job accidental deaths.

## Lutheran Reformation Service Scheduled At Civic Auditorium

The Rev. George Wittmer of St. Louis will be the speaker at the Lutheran Reformation Service at 4 p.m. Sunday, November 2, in San Francisco Civic Auditorium.

For the third year, the service is being sponsored by the Greater Bay Area Lutheran Reformation Committee.

The Rev. Wittmer is president of the Western District of The Lutheran Church-Missouri Synod and pastor of Messiah Lutheran Church in St. Louis.

Elmer Ohlendorff of Daly City, a member of Bethel Lutheran Church, San Francisco, has been one of the members of the planning committee. The Rev. Louis Marting of Hope Lutheran Church, Daly City, reports that he will participate in the service.

Music at the service will be furnished by both adult and children choirs under the direction of Prof. Hugo Gehrke of California Concordia College.

## 'Unity In Marriage' Holy Angels' Topic

Guest speaker at the meeting of Holy Angels Womens Guild next Wednesday, November 5, will be the Reverend Thomas Bowe, whose topic will be "Unity in Marriage".

Mrs. John Putkey and Mrs. Robert Fontana, co-chairmen of the Halloween dance to be held at Westlake Auditorium this Saturday at 9 p.m., announce reservations are still being accepted and may be made by calling PL 5-3865.

**ARMY DRAMA...**A volley of shots rang out as we approached...on guard at the entrance to historic Fort Point dressed in the uniform of the Civil War period was a soldier standing stiffly at attention...on through the original door still standing and into the inner court where more soldiers stood guard, and ladies and gentlemen garbed in the dress of that time strolled up and down...up massive winding stairs to look through what remains of former gun emplacements overlooking the Pacific at the entrance to the harbor. Actually, we had to almost pinch ourselves to realize it was 1958, and not 1861, as we toured the ancient fortress in the shadow of the Golden Gate Bridge, which was the setting for one of the most unique press conference we have ever attended.

The pantomine was part of the conference arranged by KPIX in conjunction with the Sixth United States Army when members of the press were guests at special preview showing of "Colonel Mackenzie's Raiders" following a conducted bus tour of Presidio grounds and historic Fort Point.

"Mackenzie's Raiders (KPIX Sat. 10pm) is an adventure series based on real-life exploits of post-Civil War hero Colonel Ranald Mackenzie, whom the army considers one of its greatest fighting men. The program is exciting dramatic television, and certainly makes that colorful period in history come alive.

**WORLD WAR II DRAMA...** another outstanding program recently made its debut..."Citizen Soldier" (KGO-TV, Tues., 10pm) a dramatic semi-documentary that vividly protrays the experiences of the Army enlisted man and his part in winning World War II. Bearing the seal of the Department of the Army and a priority from the Department of Defense, the program was filmed on location and is based on authentic incidents. We do wish it were scheduled at an earlier viewing hour for many of those young-in the campaigns are certainly the right age to enjoy such a series.

**NEW PROGRAMS...**Another powerful documentary recently began its fall schedule... CBS's distinguished "The Twentieth Century". Skillfully produced with months of careful research behind each program, the program should be a "must" on your Sunday viewing schedule (KPIX, 3:30pm). Coming programs include "The Red Sell", "Rockne of Notre Dame" and "Russo-Finnish War".

KTVU has scheduled a special holiday showing of the delightful Shirley Temple films (Sun., 4pm). Beginning November 9,they include "Captain January", "Wee Willie Winkie", "Poor Little Rich Girl", "Rebecca of Sunnybrook Farm" and "Heidi".

## St. Mary's Cathedral Fashion Show Aids Building Program

Exquisite fall and winter fashions to fit restricted as well as unlimited budgets will be presented by Joseph Magnin in St. Mary's Cathedral hall, Van Ness Avenue and O'Farrell Street, this Friday at 2 p.m.

DON'T LET THIS HAPPEN TO YOU!

Who wants to be stuck for a NEW STATE TAX ON HOMES? Or a new State sales tax on Food? Or new and higher taxes on Gasoline?

Nobody—of course!

Yet State officials, business economists and tax experts agree that these are the almost certain results of passage of Proposition No. 17—the Monkey Wrench Tax Bill on the November 4 ballot.

No. 17 is called the Monkey Wrench Tax Bill because it would wreck the machinery of State government by its irresponsible tax tinkering.

By reducing the State's chief source of revenue—the sales tax—No. 17 would imperil appropriations for schools, hospitals, aid to needy children and the aged. By hiking California income tax rates to the highest in the nation, No. 17 would drive business from California and threaten job security.

Who'll pay to put the pieces together again if the Monkey Wrench Tax Bill strikes? Middle and lower income bracket people would pay the most—through new and more burdensome substitute taxes at both the State and local levels. Don't let it happen to you!

These, and hundreds of other responsible California organizations agree:

CHOICE CLEAR FOR CONGRESS

(A DEMOCRATIC EDITORIAL)

IN THIS year's Congressional election the stakes are high and the choice is clear.

At stake is America's leadership, and with it the fate of the Western world which must depend upon the U.S. as its most powerful member for direction and purpose.

In the House of Representatives, which has great responsibilities, the incumbent has amassed a pile of publicity clippings, but no important legislation.

REFRESHINGLY, the Democrats have in Elma D. Oddstad a candidate with the outlook, background and ability to help America get ahead.

Miss Oddstad's character and business experience qualify her well. Twelve years a member of the firm of Oddstad Homes, she is now its vice president. She devised organizational procedures for the company, whose peak employment was 1,000 and which built 10,000 homes in the county. She is conversant with the economics of the market place, the bank, and the home.

Moreover, her campaign has produced a sound legislative program—plus original contributions of significance.

IT ADDS UP to a clear choice:

A Republican who subscribes to his party's doctrine of a sterile foreign policy founded on a stagnant economy.

Or —

A Democrat ready to play an important role in the next Democratic Congress effectively and responsibly.

We want to get ahead.

That's why we say Oddstad instead!

# Lois J. Anderson, Fred Waschkowsky In Vow Exchange

Lois June Anderson, daughter of Mr. and Mrs. A. B. Anderson, 65 Crocker avenue, Daly City, became the bride of Frederick M. Waschkowsky in a beautiful double ring ceremony on Saturday afternoon, October 18, at Ebenezar Lutheran Church in San Francisco. The Rev. Bloomquist officiated.

The bridegroom's parents are Mr. and Mrs. W. F. Waschkowsky of Oakland.

The bride, given in marriage by her father, wore a ballerina length gown of powder blue chiffon over silk taffeta, with a shoulder-length illusion veil of powder blue with braided crown of blue chiffon and pearls. She carried a white prayer book with streamers of stephanitos centered with a white orchid.

Attending the bride were her nieces, Miss Diane Starkovich and Mrs. Marsha Tylenda, who wore identical gowns of royal blue corded taffeta in ballerina length, with white half halo carnations in their hair.

Diane, as maid of honor, carried a bouquet of white carnations with royal blue and white center. Marsha carried a bouquet of white carnations with royal blue center. Both wore pearl necklaces, gifts of the bride.

Best man was the groom's brother, Peter Waschkowsky. Ushers were his cousin, Bill Rettig, and his nephew, Bill Tylenda.

The bride's mother wore a rose-colored lace over taffeta steet length dress with matching accessories and wore a white orchid corsage. The groom's mother wore a green suit and black accessories with a white orchid corsage.

The reception was held in the church parlor. The wedding cake was three-tiered and ice blue with lily of the valley on top. Assisting in the serving were Mrs. Anita Tallariti, Mrs. Alice Tylenda, Mrs. Olga Bordson and Mrs. Doris Starkovich.

The bride is a graduate of Jefferson High (class of '50) and the John Robert Powers School of Modeling. She is employed by Pacific Fruit Express.

The groom is a graduate of San Diego High School and is a member of the Marine Corps Reserve. He works for PG&E in San Francisco.

The couple took a honeymoon trip to Catalina island off the Southern California coast. They will make their home in Lafayette.

## Essay Contest To Send Scout To Switzerland

Some Boy Scout with a flair for writing a convincing 100-word essay will win a fully paid round-trip air flight and two week's visit to Switzerland next July.

The contest is sponsored by the American Society for Friendship with Switzerland and Boys' Life, the monthly magazine for all boys published by the Boy Scouts of America.

In his essay of 100 words or less on "Why I Would Like to Visit Switzerland as a Scout," the winner will tell how he proposes to build better understanding between young people of Switzerland and the United States.

Entries will be judged on the basise of understanding world friendship in general, and specifically between young people of both nations.

The contest was inspired by the October Boy Scout theme, "World Brotherhood."

Swiss-made watches will be presented to the six runners-up to the winer.

Entries sent to the Boys' Life Switzerland Contest at New Brunswick, New Jersey, must be postmarked not later than midnight, November 15, this year.

### Three Halloween Events In Brisbane

Three big Halloween events are scheduled this Friday evening for Brisbane youngsters.

A carnival will be held at Brisbane Elementary School by the PTA, from 7 to 10 p.m. The Brisbane Teen Club will present a dance during the same hours, for intermediate and first-year high school students at Brisbane Recreation Center.

The Curvettes, girls' club, will host a dance for high school students at Legion Hall, from 8 p.m. to 1 a.m.

Robert E. Peary began his sixth Arctic expedition, July 15, 1896.

## Crocker School Halloween Fun

Goblins and ghosts will reign at Crocker School on Halloween night when Crocker-Pershing PTA recreation chairman Gene Hedrick and his committee (Mesdames A. Conaty, E. Hedrick, and H. Masie) will work with the Daly City Recreation Department to provide wholesome entertainment for youngsters.

"Discipline" was the main topic at the recent unit meeting held in Crocker School's multi-purpose room.

A panel composed of representatives from various organizations included Dr. Schrock, College of San Mateo; Sam Fillippo, San Mateo County Probation Department; Inspector Phil La Bruzzo, Daly City Police Department; William Tergis, vice principal of Crocker School; Mrs. Doris Wimberly, former school trustee, and Mrs. Jan Gilmore, mother of five children.

The panel spoke on various phases of child discipline, supplemented by questions and answers from the audience.

Mrs. Heckman's sixth grade students presented a short skit for Columbus Day.

The annual rag drive, held for two weeks, netted the unit $81.40.

### Hi School Seniors, Graduates Eligible For Navy's ROTC

High school seniors and graduates have only until November 15 to make application for the national competitive examinations for the Regular Naval Reserve Officers Training Corps.

Application forms for the December 13 examination can be obtained from the local high schools and the Daly City Recruiting Station, 6705 Mission street.

Designed to supplement the officer output of the Naval Academy, the NROTC program makes it possible for a young man to earn a regular commission while studying at the civilian college or university of his choice which has an NROTC Unit.

Northern California boasts units at Stanford and the University of California, while Utah has a unit at the University of Utah.

All tuition, fees and books are furnished by the Navy, and the student recives an annual retainer of $600 for four years.

High school seniors and graduates between the ages of 17 and 21 may apply for the NROTC aptitude test. Those who make a qualifying score will be given a rigid physical exam early in 1959.

From the pool of qualified young men remaining in competition, approximately 1800 will be selected to begin their naval careers next September.

For further information contact Chief Stanley Cichocki, Navy Recruiter at 6705 Mission st., Daly City, or call PL 6-3740.

# CAR WASH HERE WILL BENEFIT FEVER VICTIMS

Members of the San Francisco 20-30 Club will hold an all-day car wash this Saturday in Westlake for the benefit of the 20-30 Rheumatic Fever Foundation. The wash will be held at the Union Station of Cecil Banks, 101 South Mayfair.

Price will be $1.25, and will cover a complete cleaning, inside and out, vacuuming the interior, washing and drying the exterior. Banks' station is donating the space, soap, water, and vacuuming facilities.

The 20-30 Rheumatic Fever Foundation donates about $10,000 annually for the purpose of research to medical centers and colleges in the form of fellowship-aids. Money is raised by projects such as the car-wash. The San Francisco 20-30 Club is also desirous of sponsoring a local club in the Daly City area, consisting of young men between the ages of 20 and 36, who wish to participate in community service projects on a local or national scale.

The car-wash will be held between the hours of 10:30 a.m. and 4 p.m.

Chairman of the event is Herb Wilkins, 11 South Mayfair vice-president ofthe San Francisco 20-30 Club. 20-30 is the organization, which, with the Oakland Club, annually sponsors the East-West prep football game at Kezar. Another local resident, Connie Orton, 1536 Sweetwood drive, Broadmoor Village, is governor of the Central California District of 20-30.

### Sheridan Bazaar

Sheridan PTA will hold a bazaar in the school auditorium, 431 Capitol ave., on Thursday, November 6, from 2 p.m. to 9 p.m.

All proceeds are used for the benefit of Sheridan pupils.

IN THE PHILIPPINES

# County Boys Eligible For Tenth World Scout Jamboree Next Year

Several hundred Boy Scouts, Explorers, and adult leaders will represent the United States at the Tenth World Scout Jamboree in the Philippines next July 17 to 26. They will fly to Manila from the west coast about July 11.

The world jamboree camp at an elevation of 1,000 feet will be in Makiling National Park about 40 miles south of Manila. The park is adjacent to the colleges of agriculture and forestry of the University of the Philippines.

Earl F. Schmidt Jr., Scout Executive of the San Mateo County Council, Boy Scouts of America, said today: "the United States contingent will comprise Scouts or Explorers 14 through 17 years of age, experienced campers of at least first class rank who hold camping and cooking merit badges."

Each applicant accepted must have Scout spirit to enable him to represent American ideals at their best, Schmidt said. A physician's certificate of fitness will be required.

Three tours are available to jamboree campers. The cost depends on the length and number of stopovers.

The first tour, including pre-jamboree training is approximately July 8 to 30 and includes tours in Hawaii, the Philippines, and Japan. It costs $1450 from the west coast departure point and return.

The second tour from July 8 to August 4 has tours in Hawaii, the Philippines, Japan, Thailand, and Hong Kong. The cost is $1600.

The round-the-world tour costing $2475 has tours scheduled for Honolulu, Tokyo, Manila, Bangkok, Calcutta, Darjeeling, Delhi, Agra, Bombay, Cairo, Athens, Istanbul, Rome, London and New York.

Schmidt said that applications being accepted by the San Mateo County Council must be received at the national office of the organization by December 31, 1958, with a first payment of $200 for either of the first two tours and $500 for the round-the-world trip.

The tenth world jamboree is expected to attract 12,000 Scouts and leaders.

# Ben Franklin PTA Schedules 'Night At Opera'

DON'T TAX SCHOOLS

DON'T RAISE TAXES

$118,000,000.00... is the amount of taxes the State Board of Equalization reports you are saved every year by California's nonprofit schools built, paid for, maintained by Protestant, Catholic, Jewish and nonsectarian groups.

$400,000,000.00... is the sum that would be required—again by official report of the State Board of Equalization—to duplicate the school buildings built at no public expense by California's 1,076 nonprofit schools.

To tax them would shift a high percentage of their enrollment into critically over-crowded public schools—at the public's expense!

$346.00 PER PUPIL... is the average cost per year to the taxpayer to educate a child in the public school system, according to figures supplied by State Controller Robert C. Kirkwood.

The State Board of Equalization reports that if these schools were taxed, they would provide less than $1,800,000 in tax revenue. Don't punish schools that are giving the taxpayers the greatest bargain in history—a $118,000,000 tax saving in exchange for less than $1,800,000 in tax exemption. To punish these schools with a tax would punish every California taxpayer.

IT'S UN-AMERICAN... Proposition No. 16 singles out for taxation the nonprofit elementary and high schools sponsored and paid for by Protestant, Catholic and Jewish faiths. It is a PUNITIVE measure. It violates the American tradition of tax-free education. AND ITS PURPOSE IS DISCRIMINATION.

No state taxes nonprofit schools, for the simple reason that they save taxpayers millions of dollars every year in school support—$118,000,000 in California alone. Parents of children attending nonprofit schools pay the entire cost without one cent of state aid.

IT'S UNFAIR... It is unfair to force a family to pay a double tax for education. Parents of children in nonprofit schools pay their full share of public school taxes. To tax their nonprofit schools would be taxing them twice for education.

None of the other 48 states taxes these schools. Tax-free education is an American tradition originating in colonial times.

Nonprofit colleges and universities are not taxed. It is unfair and inconsistent to tax California's 390 Protestant, 643 Catholic and 43 Jewish and nonsectarian elementary and high schools.

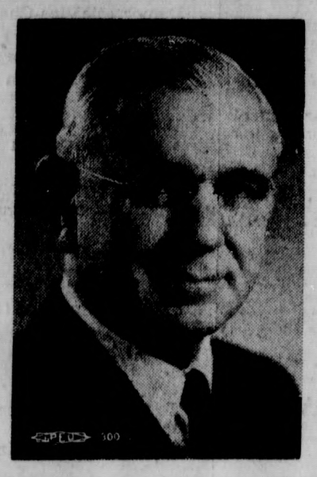
# Why We As Registered DEMOCRATS Are Voting To Re-Elect CONGRESSMAN YOUNGER



- Congressman Younger secured the $4,900,000 Pillar Point Breakwater which is one of the greatest achievements in the history of San Mateo County.
- Congressman Younger has secured the release of more than 60 acres of surplus Federal land in San Mateo County, the largest area being at Tanforan Naval Base, San Bruno. THIS WILL SAVE ALL OF US A LOT OF TAX MONEY and will aid the prosperity of the entire county.
- Congressman Younger has secured many Federal appropriations for new post offices, the U.S. Geological Survey Building and other federal projects that have greatly aided the county and all of us as citizens . . . total appropriations top 10 million dollars.
- Congressman Younger has effectively and efficiently served hundreds of citizens who have come to him for help on problems of civil service, immigration, social security and veterans help.
- Congressman Younger has appointed Postmasters on the basis of ability rather than on party politics.
- Congressman Younger has one of the finest voting records in Congress . . . He was present and voted on every major bill before Congress — a 100% record. He works hard for all the people all the time.
- His appointments to the service academies have been made strictly on grades — with no party politics allowed.
- Congressman Younger's seniority and experience are valuable assets to us as citizens of San Mateo County. IT WOULD BE FOOLHARDY TO TRADE THEM FOR A PARTY LABEL and an unknown quantity.
- WE APPRECIATE THE TREMENDOUS JOB THAT CONGRESSMAN YOUNGER HAS DONE FOR US AND FEEL THAT WE SHOULD SHOW OUR APPRECIATION AS GOOD CITIZENS BY GIVING HIM A TREMENDOUS VOTE ON TUESDAY, NOVEMBER 4th.

For BETTER BOATING—

Vote YES on 4

Proposition 4 is California's opportunity to create a new era of recreational pleasure and Statewide prosperity by developing its harbors — coastal and inland — small and large — for all craft — from outboards to ocean liners.

Proposition 4 is a self-liquidating bond issue — costing the taxpayer nothing! It not only provides funds to modernize California's vitally important State Harbor, but in addition makes it possible for communities in every section of the State to develop urgently needed small boat facilities.

BROWN YES! KNOWLAND YES! KNIGHT YES! STATE CHAMBER YES! AFL-CIO YES!

Lake Merced Rescue

# WESTLAKE SEA SCOUTS HUSTLE TO SAVE STRICKEN SAILBOATS

In winds with gusts up to 40 miles an hour, Westlake's Sea Scouts assisted in the rescue of several small boat sailors and much equipment recently on Lake Merced.

Small craft warnings had been posted but numbers of small boats were racing on the lake. The two fleet Sea Scout sailboats were in the area when, without warning, seven El Toro Class sailboats were driven bow-first into the water sailing before the wind.

The Sea Scouts, on the disaster scene at once, assisted with life preservers and in picking up rudders, centerboards, masts and booms floating away from the disabled and submerged craft. Because of the high winds and above average waves, difficulty was experienced in remaining at any one of the boats. Able seaman ship by officers and members of Westlake's Ship 248 kept the two Scout boats moving through the area, rendering help where it was most needed.

The two Sea Scout boats are of relatively new and modern design. One is of the popular Moonboat Class, modernized with tapered mahogany rudder and split-type daggerboard. The other is a specially-designed Class B Catboat of molded fiberglass, marketed from Seattle primarily for Scouters.

During the afternoon at Lake Merced a total of 11 boats were overturned or driven under water by the force of the winds. At day's end only the two Scout boats remained operational, picking up parts and pieces floating in the lake.

The Westlake Sea Scouts are extremely active in small boat sailing and are popular with junior members of the Lake Merced Sailing set, which includes members of the Small Boat Racing Association and the Lake Merced Yacht Club.

Boys 14 years and older are encouraged to apply for membership by contacting Robert Dunthorp, PL 5-2181. No prior experience in sailing or scouting is necessary and advancement within the group is rapid. Members meet at the Westlake Improvement Association clubhouse each Wednesday at 7:30 p.m. The unit is sponsored by the Westlake Improvement Association.

The Sea Scouts' latest social events included a surprise birthday party and dance at the Bob Bender residence for the unit's newest member, Len Bassin, and a pot-luck dinner for parents and friends given last Saturday, under sponsorship of Ship's Committeeman Frank De Martini. Profits realized on the pot-luck will be used to purchase additional boats for the ever-expanding membership of this Sea Scout group.

## S-O-S Drive In Broadmoor This Saturday

Junior high and high school youth of Broadmoor Presbyterian Church will visit the 1100 homes in Broadmoor Village this Saturday evening, from 7 to 9 p.m., in their "Share Our Surplus Drive."

This solicitation is being done by youth all over the United States as a constructive use of the "trick or treat" spirit of Halloween.

Through the "Share Our Surplus" plan, for every dollar contributed 300 pounds of surplus government food is delivered overseas for those in special need. This food is distributed by Church World Service, the inter-denominational church agency for overseas relief. S.O.S. is not only a way for American people to express their spirit of sharing with others, but this plan is of great help to the government in getting rid of mountains of surplus food that costs millions of dollars each year just to keep in storage.

Those who may not be at home when the youth are visiting, or those who may live in areas that are not visited, are invited to send in contributions for this purpose locally or mail them to Church World Service, 215 Fourth Avenue, New York 3, New York.

## Blood Donors

Twenty-four Daly City-Colma residents recently donated to Peninsula Memorial Blood Bank.

Charles A. Fields of DC was donating for the twelfth time.

Other donors were: Armand R. Giese, Lawrence Kennedy, Walton Lally Jr., Joe T. Harrison, Mrs. J. Hanecek Jr., John Van Otten, F. G. Michael, Mrs. A. J. Huelse, Mrs. M. O. Craig, Mrs. T. A. DeBono, Charles Waterson, William A. Rice, R. McCabe, William A. Beecher, James Kell, Milton O. Craig, Charles T. Maynard, James E. Stevens, Cruz Palafox, Keith Anderson, Genaro Calderon, Floyd W. Smoot and Thomas Vanham.

Accidents account for one-tenth of all hospital admissions and more than one-sixth of all hospital days.

SEYMOUR'S Paint store, Westlake Shopping Center, is currently featuring in its windows, a display of oil paintings by Thelma Doelger. Mrs. Doelger's work has previously been shown at the DeYoung Museum in San Francisco and other art events. The display at Seymour's will continue through this week.

## Audio-Visual Education Program Features Jeff High PTA Meet

Audio-Visual Education is the topic to be highlighted at the Jefferson High PTA meeting of November 13, at 8 p.m., in the Little Theater.

Five teachers will take part in the discussion and demonstration program. Arthur Carr, Jefferson and Westmoor teacher and director of the audio-visual program, will give a resume on the subject.

Mrs. Marion Kramer, teacher in speed reading, will demonstrate two projector-type machines--the Tachistoscope X and the Controlled Reader. Donald Carlson and Peter R. Lorenzato of the art department will show slides on art works and make running comments.

Durant Moseley, head of the department of industrial education, will show several safety devices for the wood shop. He will also demonstrate a radio circuit.

The two machines Mrs. Kramer will demonstrate are very new. They are in use for the first time this year.

The Tach. X has been in use for a month, and already the students are showing a marked improvement in reading ability. By the use of special film strips, words are thrown upon a small screen in the room. The first words given are easy and at a slow pace, but gradually both the speed of presentation and the difficulty of words are increased. After this preliminary work, the students will be given a more complicated type of reading on another machine the Controlled Reader. A story is cast upon the screen this time--a line or a phrase at a time and students must learn to see quickly and remember.

Parents and friends are invited to this interesting and unusual program and become acquainted with the latest type of training provided for their children.

### El Carmelo Parlor Sets Whist Date

A whist party is scheduled on Wednesday evening, November 19, at 8:30 o'clock, by El Carmelo Parlor 181, Native Daughters of the Golden West.

The affair will be held at Masonic Temple here. Score cards will be 50 cents. Proceeds will help finance the unit's activities.

### DC Police League Directors' Meeting

A meeting of the board of directors of the Daly City Police Athletic League is scheduled next Wednesday night, November 5, starting at 7:30 p.m. in War Memorial community center.

Officer John Coleman, PAL president, says the budget and fall activities will be reviewed.

### Luther's Teachings S. F. Reformation Service Highlight

"What Did Luther Teach" will be the theme of the address in the Reformation Services at San Francisco Civic Auditorium this Sunday. The speaker will be the Rev. George Wittmer, president of the Western District of The Lutheran Church-Missouri Synod and pastor of Messiah Lutheran Church in St. Louis. The program is sponsored by the 70 congregations of this area who also support "The Lutheran Hour" on radio and "This Is The Life" on TV.ing in the service.

## S. F. HOSTS JEHOVAH CONVENTION

Harold E. Casperson, presiding minister of the Daly City Congregation of Jehovah's Witnesses, announced today that over 2,000 ministers from San Francisco and the Peninsula will be attending a special Assembly of Jehovah's Witnesses in San Francisco, to be held at Scottish Rite Temple, this Friday through Sunday.

Convention highlight will be a public address on Sunday, 3 p.m., by E. D. Rosam Jr., Watchtower Society representative, on the subject, "The Watchtower Society in God's Purpose".

On Friday night, two of the local ministers will participate in the program. Casperson has a 20 minute talk and demonstration on the method Jehovah's Witnesses use for training new ministers. Edward J. Sartor, assistant minister, will preside over a discussion on the importance of attending all congregation meetings. Miss Samuella McKean, 735 Crocker avenue, Daly City, and Mrs. Martha Plutt, 276 3rd avenue, Colma, will assist in the discussion.

The aluminum industry ranks second only to steel in size among the Nation's metal industries.

There will be a robed processional of children bearing flags of member-nations of the United Nations in which the church is active, and a processional of vested clelgymen from the participating churches.

The mass choir, under the director of Professor Hugo Gehrke of California Concordia College, Oakland has been expanded this year to more than 1000 voices.

Members of Bethel and West Portal Lutheran Churches of San Francisco and Hope Lutheran of Daly City are assisting in the ushering and singing in the choir. The Rev. L. Marting, the Rev. A. Haaka, the Rev. H. Schroeder, pastors of the above churches, are participating in the service.

## Halloween Slate Heavy For DC Kids

Youngsters of all ages are invited to take part in the many Halloween parties and dances duled for 7 to 9 p.m., sponsored by the Doly City Recreation Department with the following co-sponsors:

Mother's Club; Garden Village School, Snell PTA; Jefferson Elementary School, Olympia School, Westlake School, and Westlake Shopping Center, Westlake Improvement Association (Children 12 years and under).

At the parties, prizes and awards will be given for costumes in many categories.

Seventh and eighth grade dances will be held from 8 to 10 p.m. at Benjamin Franklin School and at War Memorial Community Center. These dances will be co-sponsored by Benjamin Franklin PTA and the Misbe-haven Teen Club.

A dance is scheduled for high school students at Westlake Park from 8:30 to 11:30 p.m. This dance is co-sponsored by the Westeens and the Westmoor High PTA.

Jefferson High School will host a dance from 8 to 11:30 p.m. Admission is by ticket only. Tickets will besold in advance at Jefferson to students and their guests. No tickets will be sold at the door. This dance is sponsored by the Jefferson Boys' and Girls' Block J Societies.

### Judea Sisterhood Meets Wednesday

There will be a business meeting for the Sisterhood of Congregation Judea next Wednesday, November 5, at 8 p.m. in the Temple House, 95 South Mayfair avenue.

Mrs. Frank Langfelder, Sisterhood president, says the main topic for the evening will be an open forum of questions and answers on the Sisterhood.

There will also be nominations for a nominating committee.

Plans for the Chanukah dinner, which will be held December 7 at the Y.M.C.A. in Stonestown, also will be discussed.

## Westmoor Gridders Rip Bearcats, 25-14

Tied with Capuchino and Hillsdale for the Peninsula League lead, Westmoor High's varsity gridders this Friday intend to make Burlingame their third victim in a 3 p.m. scramble here.

Coach Pete Matisi's rolling Rames spanked San Mateo last week, 25-14, as backs Tom McHugh and Bob Roller each tallied two touchdowns.

Definitely in the title picture, Westmoor started on the glory trail two weeks ago by upsetting Jefferson, 13-6. Earlier the Rams lost practice games to Carlmont, Serra and Riordan.

Matisi's squad faces South City next week, then meets Hillsdale and Capuchino, on successive Fridays, to climax the season.

## Baseball Rules Course Set At Jeff High

Chris Palekoudas, veteran Pacific Coast League umpire, will open a nine-weeks course on baseball officiating, beginning Thursday night, November 6, from 7:15 to 10 p.m., at Jefferson High School.

The course is again offered by the Adult School of Jefferson High School District. Only fee for the course, offered on successive Thursday nights, is $1 for registration. This can be done by calling the high school district office, PL 5-1162. Females as well as males are welcome to enroll.

According to Dr. John Ivan, adult school director, Pelekoudas will completely cover all aspects of baseball—from a rules and regulation standpoint.

## PARKER PACES WESTMOOR JV'S TO 24-19 WIN

Webb Parker scored two touchdowns Monday here to pace Westmoor High's junior varsity gridders to a 24-19 win over Capuchino.

Victory gave Coach Rod Losberger's Rams a 1-2 league record. They dropped their opener to South San Francisco, 18-7, and another battle to Hillsdale, 20-19.

Cap and Westmoor were knotted 12-all at halftime.

Bill Prouty tallied first for the Rams on a 99-yard punt runback. Parker then scored on a 55-yard pass-lateral play —Losberger's "secret weapon." In the second half, Westmoor scoring came on a six-yard cross buck by Bob Piccinini and an end sweep by Parker.

The Ram JV's meet Burlingame here next Monday.

### Jefferson-Westmoor Grid Highlights Aired On Radio

Johnny Brown, Capuchrino's fine halfback and a key factor in the Mustangs' first place position in the Peninsula League football race, will be the special guest of Warren Wynkeep on his weekly radio show "Prep Sport Scoops" on station KJBS (1220) Saturday at 11 a.m.

The controversial on-the-line, no-huddle signal calling method employed by Cap will also be discussed.

Game highlights involving Westmoor and Jefferson will be given.

Saturday, Wynkeep will salute as his up-coming "Game of the Week" the cross-town rivalry between San Mateo and Hillsdale.

About the same number of persons were killed in auto accidents in 1957 as 21 years previously, according to the National Safety Council. However, the mileage death rate (number of deaths per 100 million vehicle miles) dropped from 15.1 to 5.2 in 1957.

## BYA, PAL 11's Capture Touch Football Titles

Three champions were crowned last week in the city-sponsored touch-football leagues.

Broadmoor Youth Association wrapped up the fifth grade loop with a 3-0 record. OLPH was second with 2-0.

The PAL Yankees went undefeated in four games to win the sixth grade American League competition. The Marchbanks All-Stars are still unbeaten in the sixth grade National League.

PAL defeated Crocker School 9-6 to capture the eighth grade championship. OLPH was runnerup with a 3-1-1 record.

In seventh grade National League play, BYA cinched a first place tie by downing Ben Franklin, 6-0. The DC Rams won by forfeit over PAL, 2-0.

OLPH and PAL are battling for the seventh grade American League title. OLPH stayed on top by winning a forfeit over Colma School. PAL stopped Ben Franklin, 7-0.

LOCALS FACE CAP THIS FRIDAY

## Last-Ditch Run Defeats Jefferson, 21-19

Denied victory in a heart-stopper with Hillsdale last week, Jefferson High's bruised gridders tackle unbeaten Capuchino this Friday at San Bruno in the role of an ailing underdog. Kickoff is at 3.

Coach Joe McGrath's crew, led by all-out Pete Garcia and junior guard Bob Nielson, lost a 21-19 thriller to Hillsdale here Friday on a 90-yard punt return by Ron Peters. It was Jeff's second Peninsula League setback (Westmoor downed them earlier, 13-6) and the fourth of the season against no wins.

Capuchino, the defending champ, blanked South City last week, 19-0, and the San Brunans have yet to be scored on in a league game. San Mateo was their first victim, 20-0.

McGrath, his squad sadly socked by injuries to first string personnel, won't count his boys out. Last year Cap's "untouchables" yielded 45 points to Jeff here in a wild 68-45 contest. This year's Indians remember that one, and actually they've done well considering the hospital list.

McGrath's concern this week is for quarterback Jerry Kennedy, who came out of the Hillsdale clash with a bad knee. If Jerry can't go full speed, Joe will move Jim Ahern from fullback to blocking back and insert Art Banos in Ahern's regular slot. Bob Woolrich and Roger Stahl will continue to see much duty in the Jeff backfield.

Up front, McGrath will have Marty Cosgrove and improved Vic Lewkowitz at ends, sophs Eric Neuner and Gary Monyhun at tackles, veterans John Dean and fire-ball Nielson at guards, and he'll alternate Dave Englund and Jerry Hauck at center.

Missing with injuries are tackle Jim Drake, end Felix Valdez and speedy halfback John Margaroni. Each could make the difference in Jeff's win-loss column.

Peters' long punt runback and his 57-yard run for touchdowns killed the Indians Friday. Jeff led in first downs, 17-9, in total yardage, and held the Hillsdale passers to 35 yards.

### Hillsdale Frosh Dump Rams, 26-6

Hillsdale's frosh footballers rambled past Westmoor High's yearlings last Thursday by a 26-6 count.

It was the first setback for Coach Will Stensland's eleven. The Ram frosh opened the season with a 7-6 win over South San Francisco.

This Thursday, Westmoor travels to battle Capuchino.

## Burlingame Batters Jeff Freshmen, 28-7

Battered 28-7 by hard-running Burlingame last week, Coach Bob Watt's Jefferson freshmen hope to play much better ball this Thursday afternoon when they entertain San Mateo's yearlings.

Unbeaten Burlingame, depending mostly on a ground attack, took a 21-0 lead before Sam Ennon's 63-yard run on a reverse from Bob Brush put Jeff on the scoreboard just before the end of the first half. Fullback Al Cacicedo kicked Jeff's seventh point.

The invaders ended their scoring in the third period.

Watt was discouraged by his team's "ragged" line play. He cited halfback Duane Baswell, reserve quarterback Mike Rovai, Ennon, and Brush for their offensive work.

The Jeff frosh are winless in two Peninsula League starts. San Mateo is 1-1 for the campaign.

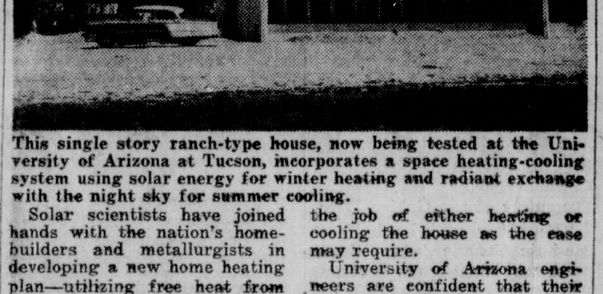
## Copper Helps Sun Heat New Homes



This single story ranch-type house, now being tested at the University of Arizona at Tucson, incorporates a space heating-cooling system using solar energy for winter heating and radiant exchange with the night sky for summer cooling.

Solar scientists have joined hands with the nation's home-builders and metallurgists in developing a new home heating plan—utilizing free heat from the sun!

Operation of the solar heating system is based on a simple principle. A copper collector on the roof absorbs sun rays, and heats water circulating through a maze of copper tubing. The heated water is stored for distribution through conventional radiant ceiling panels.

These ceiling panels are really copper collectors, too, and in the summer they absorb the heat in each room, conveying it to an outside water storage tank. At night time this hot water is then pumped to the roof panels where it is radiated into the cool night air.

Copper is used for both the roof and ceiling panels and also for connecting lines, because this metal is the best available heat-conducting material. It is also highly resistant to corrosion—can't rust—and, of course, it's easy to work with.

When the sun doesn't shine for any extended length of time, a supplementary heat pump automatically takes over, doing the job of either heating or cooling the house as the case may require.

University of Arizona engineers are confident that their research will show that this method of solar heating will be practical as well as effective in nearly every section of the United States. The immediate exceptions are regions where prolonged periods of cloudy weather call for extensive use of the auxiliary heat pump. The Pacific Northwest and the parts of the Great Lakes areas are two examples.

The advantages of solar heating of homes are expected to win many supporters. Savings in fuel costs are about half. Cost of maintenance and operation are cut about the same proportion. Supply and delivery problems are eliminated entirely.

It is believed that this Arizona solar research house, including the heating and cooling system, could be built for the residential market for well under $20,000. This figure will be reduced as increased popular interest in the system permits mass production economies in the fabrication of the copper heating and cooling panels.

## LAW IN ACTION

### THE JUSTICES

The President names a new justice of the U. S. Supreme Court when one retires, resigns, or dies. As a rule the Senate confirms this appointment; but if not, the President sends in another name.

Where do the justices come from? Some from private law offices, others from government—Congressmen, governors or cabinet members.

Custom calls men to the Supreme Court from all three branches of government—lawmakers, administrators, or judges from lower courts.

And odds are at any one time there will be justices from each part of the country—New England, the Middle Atlantic, the South, the Midwest, and the West.

For the Supreme Court decides questions of wide public concern.

New justices take an oath to support and defend the Constitution as well as to "administer justice without respect to persons;" and to do "equal right to the poor and to the rich."

Since we need honest and fearless justices we give them protection from many pressures: Lawmakers may not cut their salary, and they hold office during "good behavior," which means until they retire or die.

The Constitution protects the salary and tenure of justices because we want the judicial branch to be independent—and to call the shots as they see them without fear or favoritism.

Because of this, we seek Supreme Court justices who will take brave stands, perhaps

against a hostile public opinion. We want them equally free to dissent from the majority views, and even in time to overrule themselves and adopt a minority opinion.
